Preface

Assalamu Alaikum

Dishari Group believes the journey to a thousand miles is a small step, destination. Established in the year 2000.

Matrichaya properties Limited is a sisters concern of Dishari Group. It is a steadily growing developer company in The Real Estate Sector in Bangladesh, concentrating on developing land and apartments at the prime locations in Dhaka and others parts of the country.

No doubt our projects will be the model in the Real Estate Sector and Insha Allah our innovative entrepreneurial skill will escort us to become one of the leading Housing Companies in Bangladesh.

Our innovation, distinction, perfection and constant development of ideas make us different from others. We believe our individuality in choosing the location, designing the project, choosing the right materials will make our projects different in every segment.

The location of the apartment is one of the most momentous concerns for comfy and amusing living. Keeping this fact in mind, Matrichaya properties Limited always choose projects in the most prominent locations surrounded by natural beautiful views.

Regarding building materials Matrichaya properties Limited always gives the highest priority to ensure the quality of building materials and finished products with longest durability to ensure safety, security and satisfaction of its valued customers.

Issues like tolerance of earthquake up to Richter Scale 8.0, Fire Hydrant and other natural calamities have become prime concern under the hood of as we care for you.

Our challenge is to turn your dreams into reality. Our efficient expertise's, team of engineers, architects along with the whole Matrichaya properties Limited family are striving to give you the best through delivering top quality apartments according to their desires at reasonable price.

In a nutshell "we will strive till the end Insha Allah to give you the rarest things in today's world - peace, tranquility, security and sense of belongingness because we believe in you."
